EDUCATION

Scripps Institution of Oceanography: M.S. Marine Biology
San Diego State University: M.S. Biology (Physiology)
San Diego State University: B.S. Zoology

PROFESSIONAL EXPERIENCE

- Scanning electron microscopy - preparation/operation/imaging
- Energy dispersive X-ray analysis - elemental analysis
- Gunshot forensics - Gunshot residue analysis & interpretation
- Quantification of asbestos and non-asbestos particle burden in lung tissue by electron microscopy.
- Digital imaging - application development/training in the PC environment
- Crime-scene reconstruction
- Booth setup, display and demonstrations in technical shows
- Testimony in court (civil and criminal)
- Use of statistics in ecology and other sciences
- Technical/scientific illustration (>35 years experience)
- Beta testing of software for scientists for a digital camera company
- Specialized software development - documentation/debugging (Basic)
- Biological Oceanography/Marine Biology - set up of sampling programs, etc. (6 months total sea time)

EMPLOYMENT

Jan. 1982- Present: Director of MEIXA TECH, Cardiff-by-the-Sea, California. We provide:

- 1) Documentation of inorganic particle exposure (e.g. asbestos, heavy metals) in lung and other tissue. Meixa Tech has worked on hundreds of pulmonary-injury cases throughout the country (publications).
- 2) Analysis and interpretation of gunshot residue in criminal cases (publications).
- 3) Digital imaging: macro imaging, image enhancement and processing (publications).
- 4) Crime-scene reconstruction (publications).
- 5) Industrial testing, past & current clients include: Maxwell Labs, Cymer Laser, Kelco, Ryan Aeronautical, Biosensors International and Professional water Technologies.

Jan. 2002- Mar. 2005: Associate with NYOPTICS, INC. Duties include demonstration of digital cameras to professional engineers and scientists, booth preparation and product demonstration for trade shows, training professionals on the use of Adobe® Photoshop and beta-testing of a manufacturer of scientific digital cameras and software.

Feb. 1997- Oct.2000: Associate with PACIFIC CREST IMAGING SYSTEMS. Duties include demonstration of digital cameras to professional engineers and scientists, booth preparation and product demonstration for trade shows, training professionals on the use of Adobe Photoshop and beta-testing of a major manufacturer of scientific digital cameras and software.

Nov. 1992- Sept. 1997: Senior Scientist with FORENSIC SCIENCE CONSULTING GROUP, Cardiff-by-the-Sea, California (Director: Joseph Orantes). We provided forensic support for almost all aspects in the investigation of criminal cases. My expertise includes gunshot residue and other particle analyses by scanning electron microscopy/energy dispersive X-ray analysis. I also contribute expertise in other forensic areas where scanning electron and light microscopy are applicable.

July 1987- July 1988: Senior Research Analyst with MEC Analytical Systems. 531 Encinitas Blvd., Suite 110, Encinitas, CA 92024.

Oct. 1981- Aug. 1982: Scientific illustrator and illustration consultant for environmental impact reports involving shallow marine and fresh water projects. Lockheed Ocean Systems, San Diego.

Oct. 1980- June 1982: Staff Research Associate, University of California, San Diego. Duties: finding particulates in human lung sections with scanning electron microscopy and identifying elemental composition using X-ray analysis.

June 1980- Oct. 1980: Freelance scientific illustration. Clients included Marine Ecological Consultants and Marine Review Committee.

Oct. 1975- June 1980: Staff Research Associate, Scripps Institution of Oceanography. Duties: ecological impact study for DOE of the abyssal benthos in the central North Pacific. Nano-, meio- and macrobenthos; organisms associated with ferromanganese nodules. Chief scientist in oceanographic expeditions.

AFFILIATIONS

American Academy of Forensic Sciences (Fellow, General Section)

San Diego Forensic Consultants Association

Vice President, 2008

President, 1998, 1999

Secretary, 1992, 1993, 1994

Newsletter Editor, 1992, 1993, 1994

International Association for MicroAnalysis (defunct?)

Member, Forensic_SEM list serve (established by the FBI)

CONFERENCES ATTENDED

American Academy of Forensic Sciences - 1987, 1988, 1989, 1990, 1991,1994, 1995, 1998, 2000

California Association of Criminalists - 1993, 1995, 1996, 2002

Canadian Society of Forensic Science & Northwest Association Forensic Scientists -

November, 1994, Vancouver, BC - Round Table Discussion on Gunshot Residue

Scanning 96, 1996 – Forensic course/workshops/original papers.

Scanning 97, 1997 – Forensic course/workshops/original papers (presenter).

Scanning 03, 2003 – Forensic course/workshops/original papers.

Scanning 05, 2005 – Forensic course/workshops/original papers (presenter).

Scanning 07, 2007 – Forensic course/workshops/original papers (presenter).

COURT APPEARANCES (as an expert)

1. July 1988: People v. Joselito Cinco, Superior Court, Orange County, California (accepted as a expert on SEM/EDXA- gunshot residue)
2. May 1990: Royal v. Colvin, Superior Court, Contra Costa County, California (accepted as a expert on SEM/EDXA- particle analysis)
3. Dec. 1991: Jacobs v. Wittaker Corporation, Superior Court, Los Angeles County, South Central District, Compton, CA (accepted as a expert on SEM/EDXA- particle analysis)
4. Oct. 1993: USMC v. Williams. Military Court, Camp Pendleton, California (accepted as a expert on SEM/EDXA- gunshot residue)
5. Aug. 1994: People v. Edmunds. Superior Court, El Cajon, California (accepted as an expert on SEM/EDXA- gunshot residue)
6. Sept. 1995: People v. Morrison. Oklahoma City, Oklahoma (accepted as an expert on SEM/EDXA- gunshot residue)
7. Oct. 1995: People v. Rogers. Superior Court, San Diego (accepted as an expert on SEM/EDXA- gunshot residue)
8. May 1996: People v. Leon, Superior Court, Orange County (accepted as an expert on SEM/EDXA - gunshot residue)
9. Nov. 1996: USMC v. Quintanilla. Military Court, Camp Pendleton, California (accepted as a expert on SEM/EDXA- gunshot residue, paint analysis)
10. Dec. 1996: People v. Murphy. Superior Court, Los Angeles (accepted as an expert on SEM/EDXA - gunshot residue)
11. Mar. 1997: People v. Chrisman. Superior Court, San Diego (accepted as an expert on SEM/EDXA - gunshot residue)
12. Apr. 1997: People v. Pena. Superior Court, San Diego (accepted as an expert on SEM/EDXA - gunshot residue)
13. July 1999: People v. Contreras. Superior Court, San Diego (accepted as an expert on SEM/EDXA, crime scene reconstruction & gunshot residue).
14. Oct. 2000: Emrick v. Asbestos Defendants. Superior Court, Portland, OR. (asbestos injury)
15. Feb. 2003: People v. Pasillas. Superior Court, San Diego (accepted as an expert on SEM/EDXA - gunshot residue)
16. Feb. 2004: People v. Lepore. Superior Court, Pasadena, CA (accepted as expert on SEM/EDXA & crime scene reconstruction).
17. Feb. 2004: People v. Rountree. Superior Court, San Diego, CA (accepted as expert on SEM/EDXA - gunshot residue)
18. May 2004: People v. Crowder. Superior Court, San Diego, CA (accepted as expert on SEM/EDXA - gunshot residue)
19. Sept. 2004: People v. Plasencia. Superior Court, Riverside, CA (accepted as expert on SEM/EDXA – gunshot residue)
20. Nov. 2005: People v. Owens. Superior Court, Kotzebue, AK (accepted as expert on SEM/EDXA – paint analysis)
21. March, 2006: People v. Andrews. Superior Court, San Diego, CA. (tentatively accepted as expert on SEM/EDXA - gunshot residue.
22. April 2006: People v. New. Superior Court, El Cajon, CA. (accepted as expert on SEM/EDXA – gunshot residue).
23. May, 2006: People v. Lawrie. Superior Court, Vista, CA (accepted as expert on SEM/EDXA – gunshot residue).
24. Aug. 2006: People v. Maldonado, Superior Court, Compton, CA (accepted as expert on SEM/EDXA –gunshot residue).
25. March 2007: Webb, C. (Martin, S) v. ACandS et al. Superior Court, Baltimore, MD. (asbestos injury).
26. May 2008: People v. Alvarez. Superior Court. Los Angeles, CA (accepted as expert on SEM/EDXA – automotive tire transfer)

27. May 2008: People v. McIntyre. Juvenile Court, Tucson, AZ (accepted as expert on SEM/EDXA – gunshot residue)

DEPOSITIONS & ARBITRATIONS

1. Weeks v. Fibreboard et al.; Duda vs. Fibreboard et al., February 10, 1987 (asbestos injury)
2. Lostal v. Johns-Mansville Corp., et al., March 26, 1987 (asbestos injury)
3. Zaragoza v. Solis, et al., July 16, 1987, November 2, 1987 & October 14, 1988 (gunshot forensics)
4. Johnson v. Pfizer Corp., et al., March 15, 1991 (asbestos injury)
5. Jacobs v. Whittaker Corp. et al. November 9, 1991 (industrial exposure)
6. Hollywood v. Becker, March, 1992 (asbestos injury)
7. Jablon v. A.U.M., July, 1993 (paint analysis)
8. Prafke v. Alvarado Hospital, October, 1993 (surgical error)
9. Barry v. Owens-Illinois, Inc., February, 1994 (asbestos injury)
10. Wild v. AC and S, Inc., et al. 1995 (asbestos injury)
11. Blanco v. McMillin Realty et al. December, 1995 (paint analysis)
12. Sparco Trial Group - limited to Mitchell, October, 1997 (asbestos injury)
13. Hilgen v. Burlington Northern, Inc. March, 1998 (asbestos injury)
14. Edwards: PA2 Trial Group, Wilmington, DE. August, 1999 (asbestos injury)
15. Mabile v. The Executive Officers et al. April, 2000 (industrial exposure)
16. Hernandez v. Acheson Industries et al. November, 2003 (industrial exposure)
17. Pannell v. Nalco et al. February, 2004 (industrial exposure)
18. Nuriddin v. Asbestos Defendants (BHC). November, 2004 (asbestos injury)
19. Lopez v. U.S. Filter. December, 2004 (industrial exposure)
20. Coulter v. AC and S et al. January, 2005 (asbestos injury)
21. Nuriddin v. Asbestos Defendants (BHC). February, 2005 (asbestos injury)
22. Coffey v. American Standard, et al. March, 2005 (asbestos injury).
23. Rosen v. Sybron Dental Specialities et al., June, 2005 (asbestos injury).
24. Hicks v. Garlock Sealing Technologies et al., September, 2005. (asbestos injury).
25. St.Louis et al. v. City of El Cajon, et al., November, 2005 (gunshot residue, crime scene reconstruction).
26. Delaney v. Lennar Homes. March, 2006 (asbestos injury).
27. Haanstra v. Asbestos Corporation, et al. May, 2006 (asbestos injury).
28. Lilly v. John Crane et la. September, 2007. (asbestos injury).
29. Webb, C. (Martin, S) v. ACandS et al., February, 2008. (asbestos injury).
30. Watson v. B.F.Goodrich Company, et al., June , 2008 (asbestos injury)

CASE LOAD

Approximately 90 cases per year (total career cases = approximately 2500).

CERTIFICATIONS

Early '90s: certified by the EPA for asbestos analysis by PLM.

Provisional certification to Meixa Tech as a medical laboratory (CLIA# 05D0565549) by the U.S. Department of Health and Human Services. Certification is solely contingent that Meixa Tech's director has a M.D. or Ph.D. degree - all other requirements for certification have been met. As of on or before June 2008, Provisional Certification status cancelled.
